## **Cibola Baseball Fields - Cibola High School Baseball**

Per YUHSD70 Policy and Arizona Interscholastic Association (AIA) requirements, all coaches, staff, and spectators will wear masks at all times, and in all aspects, of their participation in events hosted on our campus. Only athletes actively participating in competition on the field of play will be without masks. Athletes and coaches will follow AIA Guidelines and sport specific modifications in maintaining the safety of all participants including longer timeouts to allow for social distancing and water distribution, sanitizing of equipment throughout the event, and limited locker room access. Coaches and AIA Officials will exchange an AIA Event Athlete Monitoring Form for each event to attest to the health, and symptom-free status, of each player and coach. Per Arizona Interscholastic Association (AIA) Guidelines, Athletes and coaches will be able to social distance on the field and in the dugout and appropriate protocols have been established to allow them to access water throughout the event while maintaining social distance and wearing masks.

Spectators will wear masks at all times in order to attend each event.

Hand washing stations and restrooms are available throughout the venue and large signs remind all spectators to wash hands often and for an appropriate amount of time. Each campus in our district has posted large mascot-themed social distancing signage throughout the venue to ensure social distancing, hand washing, and mask use. The facility will be thoroughly cleaned and sanitized by campus custodians prior to, and following, each event.

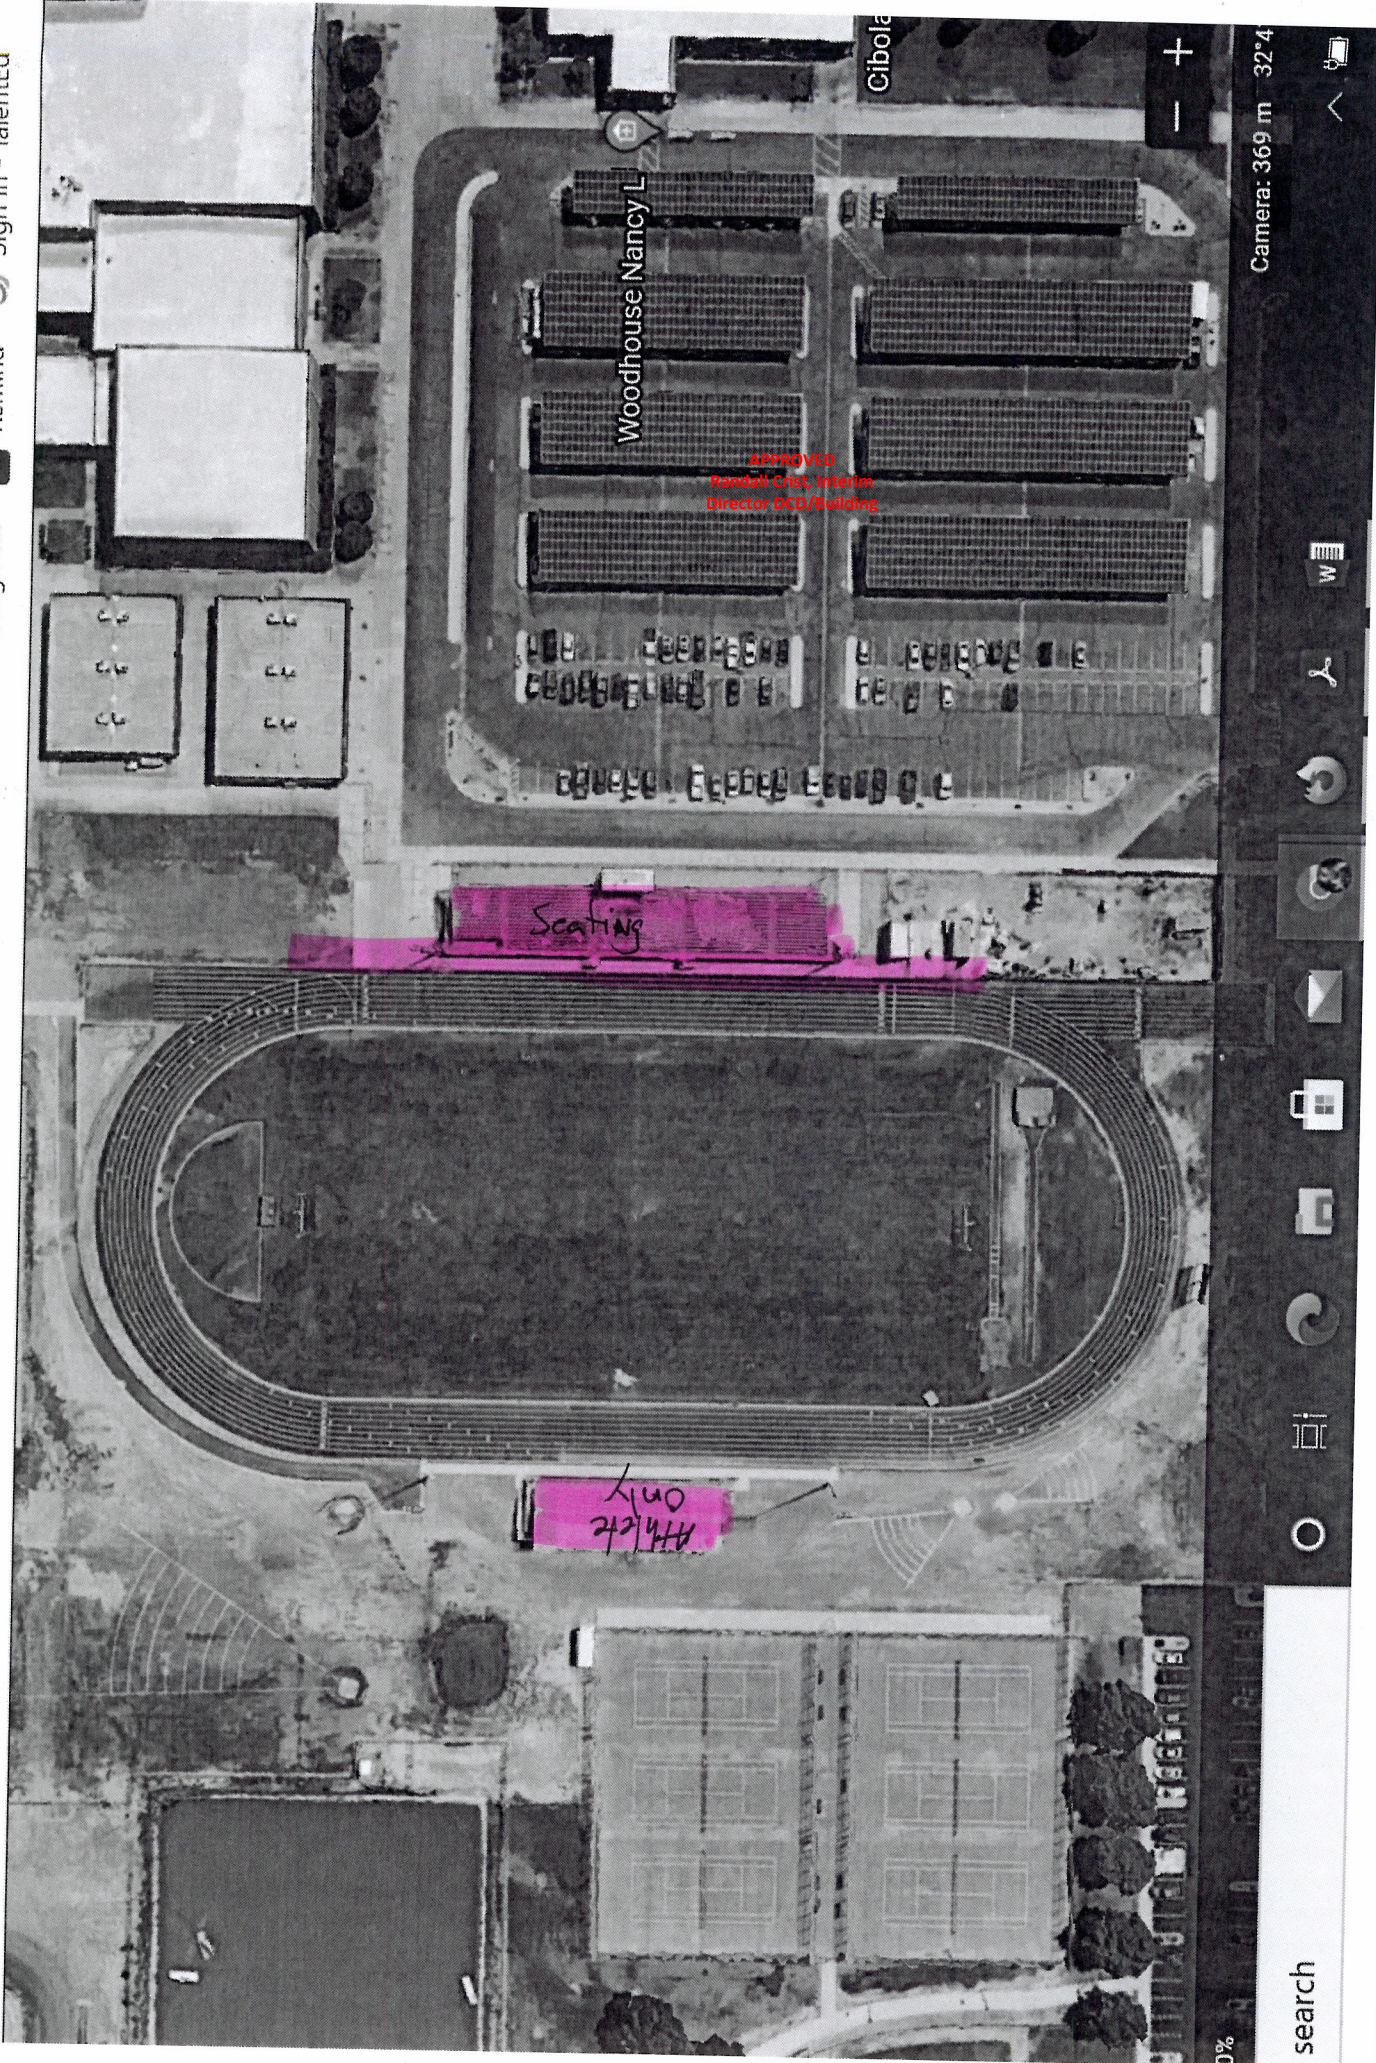

Spectators will be socially distanced while entering through gates and be advised to maintain 6ft of social distance (vertical and horizontal) in the bleachers. In order to allow for even greater social distancing in the bleachers, spectators will be allowed to bring their own chairs and watch the game from along the fenceline surrounding the field. Each spectator will be required to acknowledge the inherent risk of attendance and sign a COVID-specific waiver prior to their attendance. The waiver includes the requirements of attendance including mask use, social distancing, and staying home if they are feeling unwell. Security personnel and campus administration will continue to monitor social distancing, use of appropriate PPE, and adherence to other mitigation measures throughout the event.

There will be no food or beverage concessions available at events.

This outdoor venue allows for adequate ventilation during all events.
